INTRODUCTION

Plumbuild& Engineering Limited is a Private Limited Company. The company was established by Mr.Lalji Kerai in the year 2005 as a sole proprietor and later registered in the year 2010 as a limited company. Mr Lalji worked as senior project manager with one off the leading plumbing companies and he completed several projects with satisfactory.

Its business scope includes Plumbing , Sanitary ware Installation, Drainage, Fire fighting System installation, Gas Installation, Sprinkler systems, solar heating Systems, Air conditioning & Ventilations systems, Steel Tanks Fabrications and Regular Service maintenance.

The Company being well equipped with its enormous potential and specialized staff, has undertaken a large number of diverse sizes of Projects like; multi-storey buildings, Residential buildings, Hotels, Schools, Colleges, Factories, Apartments, Hospitals, laboratories, Ware-houses, Social Buildings, External Water Reticulation, External Drainage and all types of Fire Fighting systems installations.

To-date all the services provided by PlumBuild& Engineering have been of high standards and satisfactory to all involved parties.

PlumBuild& Engineering has had enormous growth since inception. The turnover from inception has continued to rise from 10m in 2005 to 150m by the end of 2015.

This has also seen the company create more employment up from 10 employees to more than 150.

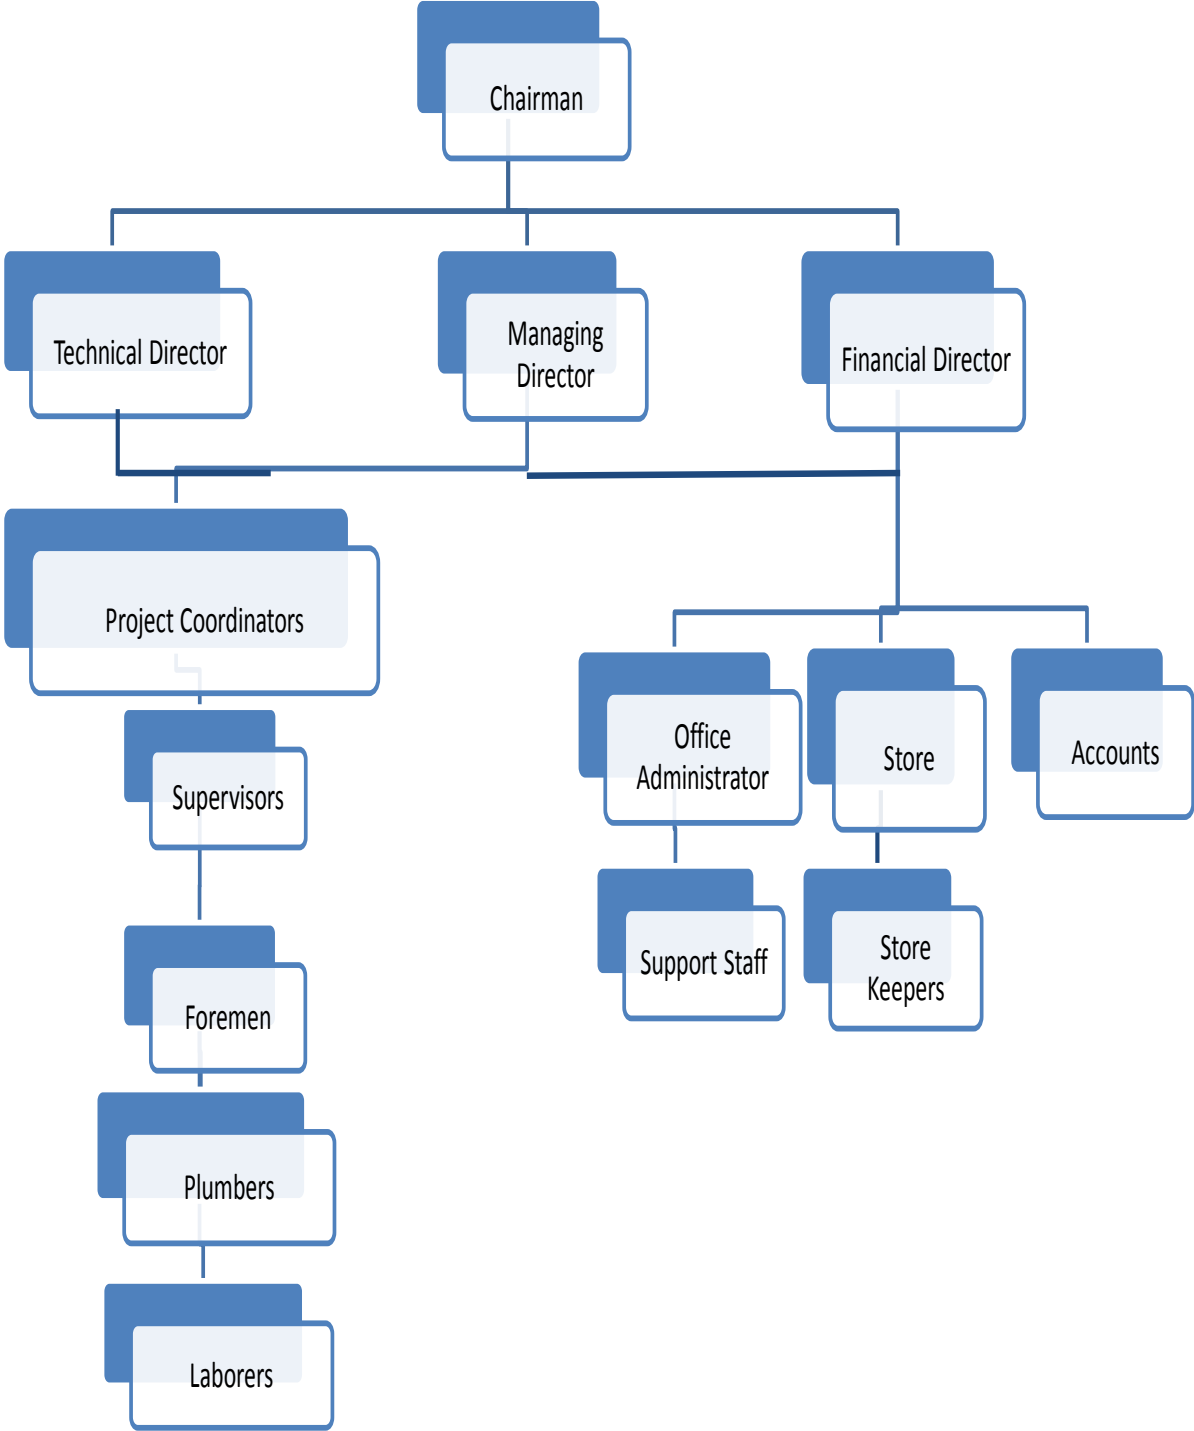

PlumBuild& Engineering works closely with the concerned parties in awarded projects to ensure smooth running and completion of the same in the required time frame.

ORGANIZATIONAL CHART.

Brief resumes of some of our staff:

Name: Joshua Kyalo Mutunga.

Designation: Project Engineer.

Joshua is a holder of BSc Mechanical Engineering from JKUAT. Previously he has worked at East African Portland and Cement, Mombasa Cement Limited and Kaluworks limited. He maintains project schedule by monitoring project progress; coordinating activities; resolving problems, accesses project specifications by studying the drawings, customer requirements, and performance standards; completing technical studies; preparing cost estimates. He is very good with Auto Cad and C++ programming. He ensures that the drawings are followed on point and As built drawings are issued to the client.

Name: Peter Gatekeo

Designation: Project Supervisor

Peter has brought into the company experience of over 15 years. He has previously worked for Oceanic Ltd, Sentrim Kenya and Jeisham Ltd. He has worked for Plumbuild & Engineering Ltd for over 2 years and handled successfully projects like Kenya Railways Corporation, Falcon Towers Apartments, Riverside Groove Apartments, Nachu Plaza, just to mention but a few. He is very well conversant with Plumbing, Drainage and Fire Fighting Installations and delivers to the client just as they imagined.

Name: Joseph Abucheri

Designation: Site-In-Charge

Joseph has maintained a record of organizing the workers and ensuring that work is delivered as required and on time. He has a work experience of over 15 years and the companies worked include; Trident Plumbers Ltd and BHIFE. He has worked for Plumbuild & Engineering Ltd for over 8 years and delivered quality and very satisfactory jobs. His areas of specialty include but are not limited to: keeping records of assignments and produce detailed work reports, Maintains project schedule by monitoring project progress; coordinating activities; resolving problems, Maintains safe and clean working environment by enforcing procedures, rules, and regulations and he is also very good in installation of the sprinkler system.

Name: Xyverian Juma

Designation: Site-In-Charge

He has 14 years' experience from companies like Kenol and Trident Plumbers Ltd. He manages and coordinates daily activities in the site. He has successfully handled sites like KICD, Fedha Apartments, Kenrail Twin towers and the Catering unit & Children's Hospital along Shivachi Road Westlands among the many. He does thorough jobs in fixing sanitary wares and drainage works.

Name: Harrison Mbinji

Designation: Site-In-Charge

Harrison is one of our plumbers in Charge. He has worked for the company for over 7 years. He has brought a wide experience in plumbing works and fire fighting installations. He can perfectly assemble pipe sections, tubing and fittings, use couplings, clamps, screws, bolts, cement, plastic solvent, caulking, or soldering, brazing and welding equipment, Locate and mark the position of pipe installations, connections, passage holes, and fixtures in structures, using measuring instruments such as rulers and levels. He can measure, cut, thread, and bend pipe to required angle, using hand and power tools or machines such as pipe cutters, pipe-threading machines, and pipe-bending machines, cut openings in structures to accommodate pipes and pipe fittings, using hand and power tools. He works diligently and delivers on point.

Name: Boniface Wambindi

Designation: Plumber.

With about 8 years' experience and 6 years in Plumbuild & Engineering Ltd, Boniface is a well-polished plumber and very meticulous in his work. Over the years he has perfected his work and catches every detail from the drawings to ensure that the job is not only as expected but supersedes expectation to put a smile on the client's face.

Name: Irene Mbengei

Designation: Administrative Assistant.

Irene has more than 10 years' experience in administrative duties. Alumnae of UON and the Egerton University she is well versed with general administration, communications and human resource matters. She's is also the friendly face you see when you walk in the office.

Name: Betty Marangu

Designation: Accounts Assistant

Betty handles all accounts related issues in the office and ensures that customer accounts are updated and all payments made on time. She is a holder of ACCA and very good in using Quick books. Her many years of experience in account enables her to perform reliably and effectively.

Name: Vinod Ashani

Designation: Store Manager

Vinod is our very competent store Manager. He has a lot of experience in keeping proper stock records and managing the stock. We have stocked a wide range of sanitary ware both for projects and retailing. Vinod advices our clients on best products within ones budget and availability of the same. He is also incharge of steel tanks fabrication and installations. He advices, fabricates and oversee the installations of high tower and low steel tanks.
